

## DIVORCE MEASURE DEFEATED IN HOUSE

(Continued From First Page.)

The choice of public school teachers. It was intended to allow district school boards to employ the brother, sister, wife, son or daughter of a member of the body to teach a school, providing a petition was presented and approved by action by four-fifths of the patrons. Such petition would hold good for only the school year.

The House didn't like this at all. It was stated that the Committee on Schools and Colleges had already considered a measure of this sort and had rejected it unanimously. When the vote was taken the Senate amendment was rejected by a large majority.

What is known as the "mental anguish" bill was reported favorably from the House Committee for Courts of Justice.

Fortune telling received the disapprobation of the House Committee on General Laws, which reported favorably the Harwood bill breaking up this practice for pay. If the gipsies and palmists and clairvoyants have any friends in the Legislature they may fight the bill when it comes up for a vote.

## SENATE

After the Senate convened yesterday, favorable reports were received on the bill to make giving a check on a bank where the maker had not funds larceny, and on the Noel and Chase bill, preventing the retention of a right of way by a railroad corporation after a certain time.

The tax commission bill was set as a special order for Tuesday, when a vote was agreed to be taken.

The following bills then received the final approval of the Senate: To require the payment of all taxes on funds held in trust when they are transferred by the trustee; to provide how a tax deed may be secured in the case of delinquent lands; to amend the law in relation to school trustees; to regulate the practice of chiropractic; to require the reporting of cases of infectious, contagious, communicable and dangerous diseases to boards of health; to amend the act incorporating the Board of Falls Supervisors of Allegheny county to issue bonds for certain purposes; to further amend the law relative to State superintendents.

Twenty bills on second reading were taken up. Two were passed to third reading, while the others went by on objection of various members.

Coming to a question of personal privilege, Senator Kezell said that after an afternoon paper erroneously called him as chairman of the Committee on State Corporation Commission had not given the people a square deal. This he declared wrong; he had his regard for that office and his criticism was directed only at the acts of the commission in taxing the physical property of railroads, the tax in his opinion having been excessive.

On motion of Senator Halsey, adjournment took place at 2.

## HOUSE

Several bills of importance were reported to the House from committees. The bill allowing recovery of damages for mental anguish for delay in delivery of telegrams, whether there are actual pecuniary damages or not, came from the Committee for Courts of Justice.

The Committee on General Laws reported the bill forbidding fortune tellers, and the joint resolution proposing an amendment to the Constitution so as to allow government by commission in cities.

The bill prohibiting the employment of boys or inexperienced persons as railway telegraph operators was reported from the Committee on Roads and Internal Navigation, with the recommendation that it do not pass.

The Committee on Insurance and Banking reported the bill forbidding the issuance of charters to banks with less than \$10,000 capital stock.

**Regulation of Banks.** Mr. Wingo referred to the new State bank bill introduced by himself and Messrs. Stebbins and Nolting. He did not quite approve the Williams bill, reported from the Committee on Insurance and Banking, partly because it did not provide for a responsible head for the Bureau of Banking.

Mr. Williams, of Giles, explained his connection with the matter, suggesting that Mr. Wingo could introduce a new bill or try to have his substituted for the bill reported from the committee. Both asked the members to read the bill carefully.

The House agreed to the minor Senate amendments to the House bill providing a new charter for the town of Wytheville and abolishing the present charter.

The House bill governing district schools came from the Senate with an amendment put on by that body, providing that upon petition of four-fifths of the patrons of a school the School Board might employ a brother, sister, wife, son or daughter of one of its members, if otherwise qualified.

**Stimular Bill Rejected.** Mr. Oliver called attention to the fact that a stimular bill has been before the House Committee on Schools and Colleges, which decided unanimously against the provision here proposed.

Upon roll call the Senate amendments were rejected by a vote of 11 to 54.

The House agreed to the Senate amendments to the bill allowing the clerks of courts in certain counties and cities to collect the fees of commissioners of the revenue.

Mr. Page asked for the consideration of the order of the enabling act referring the proposed constitutional amendments to the popular vote next November. These are the changes which have now been approved at two sessions of the General Assembly. The roll call on dispensing with the read-

# SUCH SPLENDID CURES GIVE PERUNA ITS PRESTIGE!

During the winter months  
duly bear in mind that Peruna  
is the remedy for Catarrhal  
troubles so prevalent then, as  
coughs, colds and grip.

MR. H. W. NAGEL.

### Could Not Eat Solid Food

Mr. H. W. Nagel, 63 Church St., Meriden, Conn., writes: "For several years I have been troubled with catarrh of the stomach. After trying about everything else I was advised to try Peruna. I could not eat any solid food for some time; now I can eat most anything that comes along. I have taken several bottles of Peruna and Manalin and am entirely cured. I heartily recommend Peruna and Manalin to every sufferer of catarrh. I thank you for your kind advice."

### Can Now Eat Anything.

Mrs. Joseph Towne, Devil's Lake, Mich., writes: "I have tried Peruna, and have found it an excellent tonic and cure for catarrh. I was a sufferer from catarrh of the throat, and also of the stomach. I was unable to take doctor's medicine, and was about to give up in despair when I was advised by a friend to try Peruna, which I did with the best results. I could not eat even the weakest diet without distressing my stomach, but after

taking the first bottle of Peruna I was able to eat anything I desired. I surely owe my present health to your wonderful medicine, Peruna, which I shall be glad to recommend to all who suffer as I did. I will be pleased to answer all letters of inquiry, as I feel that there is no medicine like the great and wonderful Peruna."

### Stomach Trouble Relieved.

Mr. George Snyder, Church and Allen Ave., Chillicothe, Ohio, writes: "Some time over a year ago I had catarrh of the stomach. I began taking Peruna. To-day I am a well man."

### Was Utterly Discouraged, but Peruna Relieved.

Mrs. E. N. Reed, 270 Saw Mill River, Yonkers, N. Y., writes:

"Last August my boy, twelve years old, was troubled with catarrh of the head and throat. He had for a long time been treated by our physician, who only relieved him for a time, and then he grew worse."

"I was advised to try Peruna. I gave him three boxes of it, and it cured him. He grew stronger day by day, so I knew it was a very good medicine."

"Some time ago I began taking Peruna for my ailments. I saw in one of your little books that it gave the symptoms of catarrh of the stomach, and the symptoms were like mine exactly. For several months I had doctored for indigestion, liver trouble and rheumatism, but the doctor did not seem to help me, and my stomach still grew worse."

"I was utterly discouraged when I wrote to you about my case, but after taking four bottles of Peruna I was well. I can fully say that Peruna did this, for I had taken other remedies for some time, and still grew worse instead of better."

"I cannot speak too highly of Peruna, and tell everybody about it who is ailing."

### Catarrh of Stomach.

Mr. Caleb H. Bortell, Police Officer, 212 North Paca St., Baltimore, Md., writes:

"For several years I was troubled with catarrh of the head, throat and stomach. Many times I would vomit before and after eating."

"I took seven bottles of your Peruna, and I am glad to say that it has cured me. I feel more like living and working."

section 183 of the Constitution, approved April 16, 1902.

At 2:20 the House adjourned.
